The accelerated life benefit in this policy does not and is not intended to qualify as long-term care under Washington state law. Washington state law prevents this accelerated life benefit from being marketed or sold as long-term care.

If an Insured receives payment of accelerated benefits from a life insurance policy, he or she may lose the right to receive certain public funds, such as Medicare, Medicaid, Social Security, Supplemental Security, Supplemental Security Income (SSI), and possibly others. Also, receiving accelerated benefits from a life insurance policy may have tax consequences for the Insured. We cannot give advice about this. The Insured may wish to obtain advice from a tax professional or an attorney before he or she decides to receive accelerated benefits under a life policy.

FOREWORD

Life insurance provides individuals and their families with financial protection. The Life Insurance Benefit described in this booklet will help secure your family's financial security in the event of your death.

The need for life insurance protection depends on individual circumstances and financial situations. A portion of the cost of this coverage is provided by your Employer. You may need to contribute to the remaining cost of coverage through payroll deduction so that your benefit program is more comprehensive and responsive to your needs.

The following pages describe the main provisions of the life insurance plan available to you.

Insurance benefits described in the following pages will apply to you if your Employer has made this coverage available to you at no cost or you have elected the benefit and authorized payroll deduction for the required premium.

WHO IS ELIGIBLE

Classes of Eligible Persons

A person may be insured only once under the Basic Life portion of the Policy even though he or she may be eligible under more than one class. A person may also be insured only once under the Voluntary Life portion of the Policy as an Employee, Spouse or Dependent Child, even though he or she may be eligible under more than one class.

An Employee who is the Spouse of another Employee may not be insured for Voluntary Life Insurance as both an Employee and as a Spouse at the same time.

Any Employee, who is eligible for Voluntary Life Insurance, will not be eligible to be insured as a Dependent Child of another Employee.

If an Employee is eligible and has enrolled as the Spouse of another Employee, but ceases to be eligible to maintain the amount of insurance for which he or she has enrolled as a Spouse, that Employee may, within 31 days, enroll for coverage as an Employee, in an amount equal to the lesser of (1) the amount of Spouse Voluntary Life Insurance terminating, or (2) the maximum amount of Employee Voluntary Life Insurance for which the Employee is eligible. The Insurability Requirement does not apply. If this amount is not equal to a Voluntary Life Insurance coverage option, it will be adjusted to the next higher available Voluntary Life Insurance coverage option. This provision shall be in lieu of the Policy's provisions, if any, regarding coverage changes following Life Status Changes.

If a Spouse is eligible and has enrolled for Voluntary Life Insurance as an Employee, but ceases to be eligible to maintain the amount of insurance for which he or she has enrolled as an Employee, the Spouse may, within 31 days, instead become enrolled as a Spouse of another Employee, in an amount equal to the lesser of (1) the amount of Employee Voluntary Life Insurance terminating, or (2) the Maximum Benefit Amount of Spouse Voluntary Life Insurance for which the Spouse is eligible. The Insurability Requirement does not apply. If this amount is not equal to a Voluntary Life Insurance coverage option, it will be adjusted to the next higher available Voluntary Life Insurance coverage option.

A Dependent Child of two or more Employees may only be insured once under the Policy. If an Employee who has elected to insure Dependent Children ceases to be eligible to do so, then the Employee's Spouse may, within 31 days, elect to insure Dependent Children, provided he or she is insured as an Employee. In all cases, "Dependent Child" shall be defined with respect to the Employee who has enrolled dependent children.

In all cases, amounts of insurance referred to in these provisions shall be determined before the application of any reductions in benefits due to age.

Any amount of Voluntary Life Insurance Coverage which cannot be continued under the above provisions may be subject to the Conversion Privilege.

Employee

If you qualify under the Class Definition shown in the Schedule of Benefits, you are eligible to be insured under the Policy on the Policy Effective Date, or the day after you complete the applicable Eligibility Waiting Period, if later.

If you have previously converted your insurance under the Policy, you will not become eligible until your converted policy is surrendered. This does not apply to any amount of insurance that was previously converted under the Policy due to a reduction in your Life Insurance Benefits based on age or a change in class unless those conditions no longer affect the amount of insurance available to you.

Except as noted in the Reinstatement Provision, if you terminate coverage and later wish to reapply, or if you are a former Employee who is rehired, a new Eligibility Waiting Period must be satisfied. You are not required to satisfy a new Eligibility Waiting Period, if insurance ends because you are no longer in a Class of Eligible Employees, but continue to be employed by the Employer, and within one year you become a member of an eligible class.

Spouse

Your Spouse is eligible to be insured on the date you are eligible or the date he or she becomes your Spouse, if later. You must be insured for Voluntary Life Insurance in order to elect spouse coverage.

For eligibility purposes, your Spouse must be a lawful Spouse and not legally separated from, divorced from, or widowed by you. He or she must be under age 70 to be eligible.

Dependent Child

Your Dependent Child is eligible to be insured on the date you are eligible or the date the child becomes a Dependent Child, if later.

In no event will a Dependent Child be eligible to be insured more than once under the Policy.

TY-005154-2

WHEN COVERAGE BEGINS

You, your Spouse and Dependent Children will be insured for an amount not to exceed the Guaranteed Issue Amount on the date you become eligible, if you are not required to contribute to the cost of this insurance.

You and your Spouse will be insured for an amount that exceeds the Guaranteed Issue Amount on the date we agree in writing to provide this coverage. We will require an eligible person to satisfy the Insurability Requirement before we agree to insure him or her.

If you are required to contribute to the cost of this insurance, you may elect insurance for yourself, your Spouse and Dependent Children only by authorizing payroll deduction in a form approved by the Employer and us. The effective date of this insurance depends on the date and amount of insurance elected.

If you elect coverage within 31 days after you, your Spouse or Dependent Children are eligible, any amount that does not exceed the Guaranteed Issue Amount is effective on the latest of the following dates.

1. The Policy Effective Date.
2. The date payroll deduction is authorized for this insurance.
3. The date the completed enrollment form is received by the Employer or us.

If you or your Spouse elect insurance in an amount that exceeds the Guaranteed Issue Amount or if your enrollment form is received more than 31 days after you become eligible to elect coverage, this insurance is effective on the date we agree in writing to provide this coverage. We will require an eligible person to satisfy the Insurability Requirement before we agree to insure him or her.

If coverage for a Dependent Child is in force and another Dependent Child becomes eligible, coverage for that child is effective on the date he or she qualifies as a Dependent Child.

If you are not in Active Service on the date insurance would otherwise go into effect, it will be effective on the date you return to Active Service.

If an eligible Spouse or Dependent Child is:

1. an inpatient in a hospital, hospice, rehabilitation or convalescence center, or custodial care facility; or
 2. confined to his or her home under the care of a Physician
- on the date insurance would otherwise be effective, it will be effective on the date he or she is no longer an inpatient in these facilities or confined at home. If such Spouse or Dependent Child was covered by the Prior Plan immediately prior to the Policy Effective Date, this provision will not apply to the amount of coverage in effect as of the Policy Effective Date, but will apply to any increase in coverage. This does not apply to a Dependent Child who is age 6 months or less.

TY-005155-2

WHEN COVERAGE ENDS

Coverage will end on the earliest of the following dates:

1. the date you are eligible for coverage under a plan intended to replace this coverage;
2. the date we terminate the Policy;
3. the date you, your Spouse or Dependent Children are no longer in an eligible class;
4. the date coinciding with the end of the last period for which required premiums are paid;
5. the date you are no longer in Active Service;
6. for an Employee, Spouse or Dependent Child, the date the Employer cancels participation under the Policy; and
7. the date your coverage ends, for any insured Spouse or Dependent Child.

TY-005156

CONTINUATION OF INSURANCE

Continuation for Temporary Leave of Absence or Family Medical Leave

If you are an Employee and your Active Service ends due to an Employer approved unpaid leave of absence or family medical leave, your insurance will continue if the required premium is paid.

In these circumstances, your insurance may continue as follows.

1. For an Employer approved unpaid leave of absence, up to the end of the month in which the leave begins.
2. For an Employer approved family medical leave, up to the later of the period of the approved FMLA leave or the leave period required by the laws of the state in which the Employee is employed.

Continuation for Disability for Employees over Age 60

If you become Disabled while insured under the Policy and are age 60 or over, the Life Insurance Benefits shown in the Schedule of Benefits will be continued, provided premiums are paid, until the earlier of the following dates:

1. The date you are no longer Disabled.
2. The date you are Disabled for 12 consecutive months.
3. The date coinciding with the end of the last period for which premiums are paid.
4. The date the Policy is terminated by us.

In lieu of continuing coverage under this provision, the Conversion Privilege for Life Insurance is available to you on the date continued insurance ends, or at any time while Life Insurance Benefits are continued under this option.

Notice of Continuation Right

The Insured must be notified of the right to continue the Life Insurance Benefits shown in the Schedule of Benefits within 15 days before or after an event that would otherwise result in the termination of the Life Insurance Benefits under the Policy. If notice is provided within that time, the Insured has 31 days after the event that would terminate Life Insurance Benefits under the Policy to exercise the continuation right.

If notice is given more than 15 days but less than 90 days after the event, the time period allowed for the exercise of the continuation right will be extended to 45 days after giving notice. If such notice is not given within 90 days after the event, the time allowed for the exercise of the continuation right expires at the end of 90 days.

Notice, for the purpose of this section, means written notice presented to the Insured by the Policyholder or mailed to the Insured's last known address as reported by the Policyholder.

Amount of Insurance

If you die while you are Disabled and coverage is continued under this provision, we will pay a Death Benefit equal to the amount in effect on the date you became Disabled. However, the Life Insurance Benefit will be subject to the provisions of the Policy that reduce the coverage amount because of age, retirement, payment of an Accelerated Benefit or a change in class. Automatic increases in Life Insurance Benefits will end while coverage is continued under this provision. We will pay benefits only if due proof of your continuous Disability is received within one year (except in the absence of legal capacity) of the date of the loss.

“Disability”/“Disabled” means because of Injury or Sickness you are unable to perform all the material duties of your Regular Occupation; or are receiving disability benefits under the Employer’s plan.

“Regular Occupation” means the occupation you routinely perform at the time the Disability begins.

Extended Death Benefit with Waiver of Premium

Extended Death Benefit

If you become Disabled while insured under the Policy and are less than age 60, the Life Insurance Benefits shown in the Schedule of Benefits will be extended without premium payment. No waiting period is required before Life Insurance Benefits are extended. Coverage will be extended until the earlier of the following dates:

1. The date you are no longer Disabled.
2. The date you fail to qualify for Waiver of Premium or fail to provide proof of Disability as indicated under *Waiver of Premium*.

In lieu of continuing coverage under this provision, the Conversion Privilege for Life Insurance is available to you on the date continued insurance ends, or at any time while Life Insurance Benefits are continued under this option.

Amount of Insurance

If you die while you are Disabled and coverage is extended under this provision, we will pay a Death Benefit equal to the amount in effect on the date you became Disabled. However, the Life Insurance Benefit will be subject to the provisions of the Policy that reduce the coverage amount because of age, retirement, payment of an Accelerated Benefit or a change in class. Automatic increases in Life Insurance Benefits will end while premiums are waived. We will pay benefits only if due proof of your continuous Disability is received within one year (except in the absence of legal capacity) of the date of the loss.

“Disability”/“Disabled” means because of Injury or Sickness you are unable to perform all the material duties of your Regular Occupation; or are receiving disability benefits under the Employer’s plan.

“Regular Occupation” means the occupation you routinely perform at the time the Disability begins.

Waiver of Premium

If you submit satisfactory proof that you have been continuously Disabled for 9 months, coverage will be extended up to Social Security Normal Retirement Age. Premiums are not required during the Waiver Waiting Period. If the Insured is Disabled and dies during the Waiver Waiting Period, We will pay the Death Benefit in accordance with the *Amount of Insurance* paragraph in the *Extended Death Benefit* section above.

Such proof must be submitted to us no later than 3 months after the date the Waiver Waiting Period ends. Premiums will continue to be waived from the date we agree in writing to waive premiums for you.

After premiums have been waived for 12 months, they will be waived for future periods of 12 months, if you remain Disabled and submit satisfactory proof that Disability continues. Satisfactory proof must be submitted to us 3 months before the end of the 12-month period.

Amount of Insurance

If you die while you are Disabled and coverage is continued under this provision, we will pay a Death Benefit equal to the amount in effect on the date you became Disabled. However, the Life Insurance Benefit will be subject to the provisions of the Policy that reduce the coverage amount because of age, retirement, payment of an Accelerated Benefit or a change in class. Automatic increases in Life Insurance Benefits will end while premiums are waived. We will pay benefits only if due proof of your continuous Disability is received within one year (except in the absence of legal capacity) of the date of the loss.

Termination of Waiver

Your insurance will end on the earliest of the following dates.

1. The date you are no longer Disabled.
2. The date you refuse to submit to any physical examination required by us.
3. The last day of the 12-month period of Disability during which you fail to submit satisfactory proof of continued Disability.
4. Social Security Normal Retirement Age.

If the Policy is terminated while your coverage is being continued under *Waiver of Premium*, coverage will continue in accordance with the *Termination of Waiver* paragraph.

In lieu of continuing coverage under this provision, the Conversion Privilege for Life Insurance is available to the Insured on the date continued insurance ends, or at any time while Life Insurance Benefits are continued under this option. If the Insured converts his or her coverage prior to satisfying the Waiver Waiting Period and later qualifies for the Waiver of Premium Benefit under the Policy, he or she will be covered under the Policy provided the conversion policy is surrendered. If the conversion policy is rescinded, premiums paid for that policy will be refunded.

“Disability”/“Disabled” means because of Injury or Sickness you are unable to perform all the material duties of any occupation which you may reasonably be qualified based on education, training or experience.

WHAT IS COVERED

LIFE INSURANCE BENEFITS

Death Benefit

If an Insured dies, we will pay the Life Insurance Benefit in force for that Insured on the date of his or her death. The Amount of Life Insurance is shown in the Schedule of Benefits.

TY-005164

Accelerated Benefits

You will become insured under this Accelerated Benefits provision on the date you become insured for life insurance under the Policy if these benefits apply to your class under the Policy and these benefits were not previously payable to you.

If you execute an absolute assignment or transfer of ownership of your insurance, this benefit terminates with respect to your insurance.

Any benefits payable under this Accelerated Benefits provision will reduce the Death Benefit payable for Life Insurance at the Insured's death. Any automatic increases in Life Insurance Benefits will end when benefits are payable under this provision. The Conversion Privilege is not activated when Accelerated Benefits are paid.

Terminal Illness Benefit

We will pay a Terminal Illness Benefit if we determine you or your Spouse are Terminally Ill. The Benefit Determination Date is the date we determine you have a Terminal Illness.

The Terminal Illness Benefit is up to 75% of the Life Insurance Benefit in effect on the Benefit Determination Date. The Insured's premium will be based on the Life Insurance Benefit plus the amount paid as a Terminal Illness Benefit. A separate claim must be filed and established for Waiver of Premium in accordance with the provisions of the Waiver of Premium Benefit.

The Terminal Illness Benefit is payable only once in an Insured's lifetime.

Determination of Terminal Illness

For the purpose of determining the existence of a Terminal Illness, we will require you to submit the following proof.

1. A written diagnosis and prognosis by two Physicians licensed to practice in the United States.
2. Supportive evidence satisfactory to us, including but not limited to radiological, histological or laboratory reports documenting the Terminal Illness.

We may require, at our expense, you to be examined and a review of the documented evidence by a Physician of our choice.

"Terminal Illness" means a person is diagnosed by a Physician to have a prognosis of 12 months or less to live.

TY-005171

Conversion Privilege for Life Insurance

If coverage ends for any reason except non-payment of premium, any Insured may apply for a conversion policy of life insurance. You may also apply if your life insurance benefit is reduced due to a change in age, class or the Policy. Your insured Spouse may apply for a conversion policy of life insurance if his or her coverage ends or reduces at your death, or upon divorce or annulment of your marriage. If coverage for a Dependent Child ends or reduces at his or her attainment of the limiting age or at your death, he or she may apply for a conversion policy of life insurance. Conversion which becomes available due to a reduction in insurance will be permitted up to the amount of the reduction.

The Conversion Privilege is not activated when an Insured's Life Insurance Benefit is reduced due to payment of an Accelerated Benefit.

The conversion insurance may be a type of life insurance currently being offered for conversion by us at your age and in the amount requested. It may not be term insurance, except for the first year after your insurance ends. For that year, you may elect term insurance to precede to the permanent plan. It may not be an amount greater than Life Insurance Benefits under the Policy on the last day the Insured is covered under the Policy. Conversion life insurance will not provide accident, disability or other benefits. The conversion coverage will not exclude suicide occurring more than two years after the effective date of coverage under the Policy.

If we do not have an individual life insurance form which meets the requirements of this privilege, we will offer an individual life insurance policy of Connecticut General Life Insurance Company which does meet such requirements.

If coverage ends because the Policy is terminated or amended, or the Employer cancels participation under the Policy, and you are or become eligible for coverage under any group policy within 45 days, you may not convert an amount of insurance greater than the amount for which you were covered under the Policy, less the amount of life insurance for which you are eligible under the other policy.

To apply for conversion insurance, you must submit an application to us and pay the required premium within 31 days after coverage under this Group Policy ends. Evidence of insurability is not required. Premium for the conversion insurance will be based on your age and class of risk and the type and amount of coverage issued.

Conversion insurance will become effective on the 31st day after the date coverage under this Policy ends if your application has been received by us and the required premium is paid on that date. If you die during the conversion period, whether or not it is extended beyond 31 days, as described below, the amount of life insurance which could have been converted will be paid under this Policy regardless of whether you applied for conversion insurance. If a conversion policy is issued, it will be in exchange for any benefits payable for that type and amount of insurance under the Policy.

Notice of Conversion

You must be notified within 15 days before or after an event that results in termination, or reduction in your group life insurance, but if notice is given more than 15 days but less than 90 days after the event, the time period allowed for the exercise of the conversion privilege shall be extended to 45 days after giving notice. If such notice is not given within 90 days after the event, the time allowed for the exercise of the conversion privilege expires at the end of 90 days. Notice, for the purpose of this section, means written notice presented to you by the Policyholder or mailed to your last known address as reported by the Policyholder.

If you die during the extended conversion period, the amount of life insurance which could have been converted will be paid under this Policy, regardless of whether or not you applied for the conversion insurance. If your application for conversion insurance is received by us and the required premium is paid, Life Insurance Benefits will be payable under the conversion insurance.

LIFE INSURANCE EXCLUSIONS

If you commit suicide within 2 years from the date insurance under the Policy becomes effective, your Voluntary Life Insurance Benefits will be limited to a refund of the premiums paid on your behalf.

Except for any amount in excess of the Prior Plan's benefits, this exclusion will not apply to anyone covered under the Prior Plan for more than two years. If you were not insured for two years under the Prior Plan, credit will be given for the time you were insured.

Except for any amount of benefits in excess of the Prior Plan's benefits, this exclusion will not apply to you if you were covered under the Prior Plan for more than two years. If you were not insured for two years under the Prior Plan, credit will be given for the time you were insured.

If a Dependent Child commits suicide and is survived by other Dependent Children covered under your certificate, no refund of premiums will be paid.

TY-005175

CLAIM PROVISIONS

Notice of Claim

Written notice or notice by any other electronic or telephonic means authorized by us, must be given to us after a covered loss occurs or begins, or as soon as reasonably possible. If this notice is not given within a reasonable amount of time, the claim will not be invalidated or reduced if it is shown that such notice was given as soon as was reasonably possible. Written notice can be given at our home office in New York, New York or to our agent. Notice should include the Policyholder's name and policy number and the Insured's name and address.

Written notice of a diagnosis of a Terminal Illness on which claim is based must be given to us within 60 days after the diagnosis. If notice is not given in that time, the claim will not be invalidated or reduced if it is shown that written notice was given as soon as reasonably possible.

Claim Forms

When we receive the notice of claim, we will send claim forms for filing proof of loss. If claim forms are not sent within 15 days after notice is received by us, the proof requirements will be met by submitting, within the time required under the "Proof of Loss" section, written proof or proof by any other electronic or telephonic means authorized by us, of the nature and extent of the loss.

Claimant Cooperation Provision

If you fail to cooperate with us in our administration of your claim, we may terminate the claim. A claimant will be required to provide any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Insurance Data

The Employer is required to cooperate with us in the review of claims and applications for coverage. Any information we provide to the Employer in these areas is confidential and may not be used or released by the Employer if not permitted by applicable privacy laws.

Proof of Loss

Written proof of loss, or proof by any other electronic/telephonic means authorized by us, for Accelerated Benefits must be furnished as soon as reasonably possible after the date of diagnosis. This proof must describe the occurrence, character and extent of the diagnosis for which claim is made.

In case of claim for any other loss, written proof or notice by any other electronic or telephonic means authorized by us, of loss must be given to us as soon as reasonably possible after the date of the loss for which a claim is made.

We will not deny or reduce any claim if it: 1) is not reasonably possible to furnish the required proof within that period; and 2) is shown that such proof of loss was given as soon as was reasonably possible.

Time of Payment

Any benefits due under the Policy for a loss, other than a loss for which the Policy provides installments, will be paid immediately upon receipt of due written proof of loss or proof by any other electronic/telephonic means authorized by us.

To Whom Payable

Death benefits for you will be paid to the beneficiary named in our records, if any, at the time of payment. If there is no named beneficiary or surviving beneficiary, or if you die while Disability Benefits are payable to you, we may, at our option, make direct payment to any of the following:

1. spouse of the Insured;
2. child or children of the Insured;
3. parents of the Insured;
4. sisters or brothers of the Insured; or
5. the estate of the Insured.

All benefits payable under the Accelerated Benefits section are payable to the Insured, if living. If the Insured dies prior to the payment of an eligible claim for an Accelerated Benefit, benefits will be paid in accordance with the provisions applicable to the payment of Life Insurance Benefits, unless the Insured has directed us otherwise in writing. However, any payment made by us prior to notice of the Insured's death shall discharge us of any benefit that was paid.

If we are to pay benefits to the estate or to a person who is incapable of giving a valid release, we may pay up to \$500 at the Insured's death to a person appearing to us to be equitably entitled by reason of having incurred expenses on behalf of the Insured for his or her burial. This good faith payment satisfies our legal duty to the extent of that payment. Any other accrued benefits which are unpaid at the Insured's death may, at our option, be paid either to the Insured's beneficiary or to the Insured's estate. We may reduce the amount payable by any indebtedness due.

All other proceeds payable under the Policy, unless otherwise stated in the Policy, will be payable to the Insured.

Change of Beneficiary

You may change your beneficiary at any time by giving us written notice or notice by any other electronic or telephonic means authorized by us. The beneficiary's consent is not required for this or any other change which you may make unless the designation of beneficiary is irrevocable.

No change in beneficiary will take effect until the request form is received by us. When the request form is received, it will take effect as of the date of the form. If you die before the request form is received, we will not be liable for any payment that was made before receipt of the request form.

Physical Examination and Autopsy

We may, at our expense, exercise the right to examine any person for whom a claim is pending as often as we may reasonably require. Also, we may, at our expense, require an autopsy unless prohibited by law.

Legal Actions

No action at law or in equity may be brought to recover benefits under the Policy less than 60 days after written proof of loss, or proof by any other electronic or telephonic means authorized by us, has been furnished as required by the Policy. No such action shall be brought more than 3 years after the time written proof of loss is required to be furnished.

Time Limitations

If any time limit stated in the Policy for giving notice of claim or proof of loss, or for bringing any action at law or in equity, is less than that permitted by the law of the state in which you live when the Policy is issued, then the time limit provided in the Policy is extended to agree with the minimum permitted by the law of that state.

Physician/Patient Relationship

You have the right to choose any Physician who is practicing legally. We will in no way disturb the Physician/patient relationship.

ADMINISTRATIVE PROVISIONS**Premiums**

The premiums for this Policy will be based on the rates currently in force, the plan and the amount of insurance in effect.

If an Insured's coverage amount is reduced due to acceleration of a Death Benefit, premium will be based on the amount of coverage in force on the day before the reduction took place. If the Insured's coverage amount is reduced due to his or her attained age, premium will be based on the amount of coverage in force on the day after the reduction took place.

Your Grace Period

If your required premium is not paid on the Premium Due Date, there is a 31 day grace period after each premium due date after the first. If the required premium is not paid during the grace period, insurance will end on the last day for which premium was paid.

Reinstatement of Insurance

Your insurance may be reinstated if your insurance ends because you are on an unpaid leave of absence.

Your insurance may be reinstated only if reinstatement occurs within five years from the date your insurance ends. For your insurance to be reinstated all of the following conditions must be met.

1. You must be in a Class of Eligible Employees.
2. The required premium must be paid.
3. A written request, or a request by any other telephonic or electronic means authorized by the Employer and the Insurance Company, for reinstatement must be received by us within 31 days from the date you return to Active Service.
4. The Insurability Requirement, if any, is satisfied.

Your reinstated insurance is effective on the date you return to Active Service if the required premium is paid. If you did not fully satisfy your Eligibility Waiting Period or Pre-Existing Condition Limitation before your insurance ended, you will receive credit for any time that was satisfied.

GENERAL PROVISIONS

Entire Contract

The Policy, the application of the Policyholder (a copy of which is attached at issue), the Policyholder endorsements, riders, certificate and attached papers constitute the entire contract between the parties. If an application of any Employee is required, it may also be made a part of this contract, at our option. Nothing in this Policy will invalidate or impair the rights granted to any certificateholders by their certificates or by law.

Incontestability

All statements made by the Policyholder, or by an Employee are deemed representations and not warranties. No statement will cause us to deny or reduce benefits or be used as a defense to a claim, unless a copy of the written instrument, signed by the claimant, containing the statement is, or has been, furnished to such person while such person is still living. In the event of his death or legal incapacity, the beneficiary or representative must receive a copy. After two years from the Employee's effective date of insurance, no such statement will cause insurance to be contested except for non-payment of premium. This also applies to any added or increased benefits, from the effective date of the addition or increase in benefits.

Misstatement of Age

If your age has been misstated, we will adjust all benefits to the amounts that would have been purchased for the correct age.

Misstatement of Smoker Status

SMOKER STATEMENT: If an Insured misstates his or her status as a non-Smoker an adjustment in premium will be made to reflect a Smoker's rate. If an Insured has misstated his or her status as a non-Smoker and he or she dies, the Life Insurance Benefit will be reduced to the amount of insurance, which the premium would have purchased had the Insured correctly stated his or her status.

Workers' Compensation Insurance

The Policy is not in lieu of and does not affect any requirements for insurance under any Workers' Compensation Insurance.

Assignment

The Insurance Company will not be affected by any assignment of your certificate until the original assignment or a certified copy of the assignment is filed with the Insurance Company. We do not assume responsibility for the validity or sufficiency of an assignment. An assignment of the certificate will operate so long as the assignment remains in force. To the extent provided under the terms of the assignment, an assignment will transfer all rights and obligations of the Insured, or of the owner if other than the Employee.

This insurance may not be levied on, attached, garnisheed, or otherwise taken for a person's debts. This prohibition does not apply where it is contrary to law.

Conformity with State Statutes

Any provision of the Policy in conflict on the Policy Effective Date with the laws of the state where the Policy is delivered is amended to conform to the minimum requirements of such laws.

Male Pronoun

The male pronoun as used herein will be deemed to include the female.

Clerical Error

Your coverage will not be affected by error or delay in keeping records of insurance under the Policy. If such an error or delay is found, the premium will be adjusted fairly.

Agency

The Policyholder, Employer and plan administrator are agents of the Employee for transactions relating to insurance under the Policy. The Insurance Company is not liable for any of their acts or omissions.

WHAT YOU SHOULD DO AND EXPECT IF YOU HAVE A CLAIM

When you are eligible to receive benefits under the Plan, you must request a claim form or obtain instructions for submitting your claim telephonically or electronically, from the Plan Administrator. All claims you submit must be on the claim form or in the electronic or telephonic format provided by the Insurance Company. You must complete your claim according to directions provided by the Insurance Company. If these forms or instructions are not available, you must provide a written statement of proof of loss. After you have completed the claim form or written statement, you must submit it to the Plan Administrator.

The Plan Administrator has appointed the Insurance Company as the named fiduciary for adjudicating claims for benefits under the Plan, and for deciding any appeals of denied claims. The Insurance Company shall have the authority, in its discretion, to interpret the terms of the Plan, to decide questions of eligibility for coverage or benefits under the Plan, and to make any related findings of fact. All decisions made by the Insurance Company shall be final and binding on Participants and Beneficiaries to the full extent permitted by law.

The Insurance Company has 45 days from the date it receives your claim for disability benefits, or 90 days from the date it receives a claim for any other benefit, to determine whether or not benefits are payable to you in accordance with the terms and provisions of the Policy. The Insurance Company may require more time to review your claim if necessary due to circumstances beyond its control. If this should happen, the Insurance Company must notify you in writing that its review period has been extended for up to two additional periods of 30 days (in the case of a claim for disability benefits), or one additional period of 90 days (in the case of any other benefit). If this extension is made because you must furnish additional information, these extension periods will begin when the additional information is received. You have up to 45 days to furnish the requested information.

During the review period, the Insurance Company may require a medical examination of the Insured, at its own expense; or additional information regarding the claim. If a medical examination is required, the Insurance Company will notify you of the date and time of the examination and the physician's name and location. It is important that you keep any appointments made since rescheduling examinations will delay the claim process. If additional information is required, the Insurance Company must notify you, in writing, stating the information needed and explaining why it is needed.

If your claim is approved, you will receive the appropriate benefit from the Insurance Company.

If your claim is denied, in whole or in part, you must receive a written notice from the Insurance Company within the review period. The Insurance Company's written notice must include the following information:

1. The specific reason(s) the claim was denied.
2. Specific reference to the Policy provision(s) on which the denial was based.
3. Any additional information required for your claim to be reconsidered, and the reason this information is necessary.
4. In the case of any claim for a disability benefit, identification of any internal rule, guideline or protocol relied on in making the claim decision, and an explanation of any medically-related exclusion or limitation involved in the decision.
5. A statement informing you of your right to appeal the decision, and an explanation of the appeal procedure, including a statement of your right to bring a civil action under Section 502(a) of ERISA if your appeal is denied.

Appeal Procedure for Denied Claims

Whenever a claim is denied, you have the right to appeal the decision. You (or your duly authorized representative) must make a written request for appeal to the Insurance Company within 60 days (180 days in the case of any claim for disability benefits) from the date you receive the denial. If you do not make this request within that time, you will have waived your right to appeal.

Once your request has been received by the Insurance Company, a prompt and complete review of your claim must take place. This review will give no deference to the original claim decision, and will not be made by the person who made the initial claim decision. During the review, you (or your duly authorized representative) have the right to review any documents that have a bearing on the claim, including the documents which establish and control the Plan. Any medical or vocational experts consulted by the Insurance Company will be identified. You may also submit issues and comments that you feel might affect the outcome of the review.

The Insurance Company has 60 days from the date it receives your request to review your claim and notify you of its decision (45 days, in the case of any claim for disability benefits). Under special circumstances, the Insurance Company may require more time to review your claim. If this should happen, the Insurance Company must notify you, in writing, that its review period has been extended for an additional 60 days (45 days in the case of any claim for disability benefits). Once its review is complete, the Insurance Company must notify you, in writing, of the results of the review and indicate the Plan provisions upon which it based its decision.

YOUR RIGHTS AS SET FORTH BY ERISA

As a participant in Barr & Barr, Inc.'s Insurance Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefit Security Administration.

Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefit Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefit Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefit Security Administration.

If you are not in Active Service on the Policy Effective Date, you are not covered under the Policy. However, We agree to provide a death benefit equal to the lesser of:

1. the amount due under this Policy (without regard to the Active Service provision), or
2. the amount that would have been due under the Prior Plan had it remained in force.

The benefit amount will be reduced by any amount paid by the Prior Plan, or that would have been paid had this Policy not been issued and had timely filing of the claim been made under the Prior Plan.

These special terms will end on the earliest of the following dates:

1. the date you meet the Active Service requirements;
2. the date insurance terminates for one of the reasons stated in the When Coverage Ends provision;
3. 12 months after the Policy Effective Date; or

The following “Continuation of Life Insurance” provision is applicable to Minnesota residents if the Employer has a minimum of 25 Employees who reside in Minnesota, the Minnesota Employees represent at least 25% of all covered Employees under the Policy, and the Policy does not offer Portability.

Continuation Of Life Insurance – This provision shall not apply to the extent that the Policy provides for the right of Employees to continue insurance on a direct billed basis following termination of employment (Portability).

This provision shall apply with respect to Employees whose coverage under the Policy is terminated due to: (i) voluntary or involuntary termination or layoff from employment, for any reason other than gross misconduct; or (ii) reduction in hours such that the Employee is not eligible for insurance under the Policy. This provision shall only apply to Employees who, on such date, are Minnesota residents.

For those Employees subject to this provision, life insurance coverage may be continued under the Policy for 18 months or until the date that the Employee becomes covered under another group policy, whichever is shorter. Coverage provided under this provision will also end if the Policy is terminated.

The premium required for continued coverage shall be the premium under the Policy applicable to the Employee’s class and amount of coverage. The Employer may charge an additional amount, not to exceed 2% of such premium, for collecting premium contributions from former Employees. The Employer shall notify the Employee of the right to continue and the required premium contribution. The Employee may elect to continue within 60 days of termination by paying the required premium, and may continue coverage in force by paying the required premium, without demand, on a monthly basis, as of the first of each month, to the Employer. Coverage will end at the end of any month in which the Employee has failed to pay premium to the Employer.

If continued coverage remains in force at the end of the 18 month period, or on termination of the Policy, the Employee may choose any conversion right then available under the Policy.

In the event the Employee dies during the 60 day right to elect period without having become insured under another group policy, or dies while continued coverage is in force, the death benefit will be paid to the beneficiary chosen by the Employee under the terms of the Policy.
